

# Machesney Park road overhaul

Machesney Park is asking residents to approve an ambitious \$21 million plan to overhaul its dilapidated roads and aging infrastructure through an increase in the tax rate on telephone use and a plea to voters to support a 1 percentage-point sales tax hike in February. The proposed increase would improve about 37 miles of road and infrastructure work, village officials say.

TOTAL RECONSTRUCTION: **6 MILES** TOTAL MAINTENANCE: **29 MILES** TOTAL DRAINAGE: **1.5 MILES**
