

ARCTIC CAT GIVES YOU MORE TO GO ON

WARNING: ATVs can be hazardous to operate. For your safety always wear a helmet, eye protection, and protective clothing. Never ride on paved surfaces or public roads. Never carry a passenger on a single-rider ATV; never engage in stunt driving, riding and alcohol; always don't drink and ride and to all cases injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. The Arctic Cat ATV may not be ridden by anyone under 16 years of age. Arctic Cat recommends that all riders take a training course, and that they read and understand their owner's manual before operation. Along with concerned communities everywhere, Arctic Cat urges you to "Travel Lightly" on public and private lands. Ride only on designated areas or trails. Preserve your future riding opportunities by always respecting the environment, local laws, and the rights of others when riding.
